RE: Notification of Nutritional Support Statements

To whom it may concern:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Whey to HealthTM, a dietary supplement. Source Naturals[®] is the manufacturer of Whey to HealthTM.

Statements being made in the labeling of Whey to HealthTM

- 1) Source Naturals Whey to Health™ is the first Certified Organic, 100% natural whey protein powder available to consumers.
- 2) Whey to Health supports your body's essential protein requirements with a unique profile of highly bioavailable proteins and important immune factors, including branched chain amino acids (BCAA's), lactoferrin and immunoglobulins.
- 3) Whey is one of the most easily digested forms of high quality protein.
- 4) It is low in carbs and can be used in conjunction with a variety of diet and exercise programs.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals® possesses substantiation that the statements are truthful and not misleading.

Ira L. Goldberg

President, Source Naturals®
